

HIGH SCHOOL SUMMER CAMPS

SUNCOAST YOUTH CONSERVATION CENTER

WEEK-LONG DAY CAMPS FOR GRADES 9-11

Saltwater Fish Camp \$265

Besides visiting lots of fishing spots and trying all types of cool gear, campers will go kayaking, shoot archery, play games, and hop aboard a local fishing charter! Plus, they'll receive their own rod, reel, and tackle box so they have the supplies and skills needed to enjoy fishing on their own anytime!

Aquatic Careers Camp \$235

Diving beyond the "traditional" marine science careers, campers will travel off site and become immersed in careers throughout Tampa Bay. On site, they'll learn tips for public speaking, interviewing, volunteering, and improving their own leadership skills to prepare for a future in marine science.
